GIOBAGNARA

Renowned for its elegant creations that convey luxury without ostentation, GIOBAGNARA adheres to the highest standards of craftsmanship. By pursuing a philosophy that incorporates traditional know-how with leading-edge technologies, and offering a limitless color palette of quality leathers and suede, founder Giorgio Bagnara has been able to experiment and push the technical boundaries of his craft in order to create pieces that are both beautiful and functional.

Launched in 1999, the GIOBAGNARA brand has quickly earned a reputation for expert leather workmanship, and its founder has become a key partner for a large number of interior designers as well as a select group of yacht and private jet designers who rely on his specialized knowledge to realize made-to-measure commissions.

In 2015, Giorgio Bagnara expanded his leather goods portfolio with the acquisition of saddle leather specialist RABITTI1969.

In 2017, Bagnara initiated a collaboration with French designer Stéphane Parmentier, who was appointed creative director of GIOBAGNARA and its affiliate brands.

In 2018, the company's portfolio grew with the strategic acquisition of PIGMENT FRANCE, a respected company with specialized skills in leather covering and the weaving of wicker, rattan and straw.

Today, two decades after its launch, GIOBAGNARA counts more than 100 employees.

The brand now boasts an impressive offer of quality leather homewares and is ready to embark on its next exciting chapter.

PELLE FRAU® LEATHER

All the Giobagnara x Poltrona Frau creations are handmade in Italy with the inimitable know-how of Giobagnara's finest artisans and using Pelle Frau®, a trademarked special leather by Poltrona Frau that, due to the exclusive selection processes and processing methods, can guarantee water resistance, breathability and resistance to rubbing and stains, encapsulating the highest values of elegance, quality and beauty.

PELLE FRAU® COLORSPHERE® LEATHER

Pelle Frau® leather means colour, too.

The planned colours of the ColorSphere®: a co-ordinated range of 73 different nuances of colours, characterised by the ease with which the various colours can be matched up.

In turn, for those who prefer the artificial vocabulary of colour, this allows for the creation of harmonious combinations of the shades both among different pieces of furniture and within the same object. Poltrona Frau has achieved the perfect balance of natural material and surface dressing treatments thanks to its specific technical research and vast experience. Passing time will confer elegance on ColorSphere® by Pelle Frau®, with its interesting sensory profile, resistance characteristics and for its excellent performance during use, as well as offering easy maintenance.

ColorSphere® is highly resistant. The water-based lacquer finishing of the leather protects the fullness of the colour and increases its water resistance.

The natural grain, even to the touch and the eye, becomes even more elegant over time.

To clean we recommend using just a slightly damp, soft, white cloth and drying with a soft dry cloth.

We recommend removing dust frequently using a dry, non-abrasive, white cloth. For best care of the upholstery, we recommend periodic use, two or three times a year, of the "Elisir di Lunga Vita" kit, available at Poltrona Frau dealers and showrooms.
